

# MVCSC Communications Report

## School Board of Trustees Meeting

7-2019

### GREAT NEWS IN THE SCHOOLS

#### School Accolades & Notable Activities

- Several MVHS AP Courses have had notable success on the rigorous AP exam; a few of the noteworthy success stories include Stats, Spanish and U.S. History.
- MVHS student Casey Cornelius & new alumnus Devan Skaggs became state champs at the IN Bass National HS State Finals and Anglers of the Year in their age group.
- MVHS senior Kaylee Johnson-Bradley sang in the semi-finals in the Carmelfest Talent Competition.
- The MVMS Counseling Department received the Indiana Gold Star School Counseling Award from the IDOE. To achieve this award, the counseling department developed a committee that included parents and community partners. Through a lengthy process, they established a data-based and standards driven counseling program with an annual improvement plan that will ultimately benefit our students and their needs.
- MVMS received the Special Olympics Indiana 50th Anniversary Gold Banner award for their efforts and leadership pursuing inclusion for all students.

#### Community Connections

- Approximately 50 in-district residents 65+ have taken advantage of the offer to be part of the 65+ Club so far. Another kick-off event is on Tuesday. The program has been well received and has had a steady membership increase.
