School Cancellations & Make-Up Days

GOALS
- To limit the number of cumulative days for e-learning in a school year. We would want to have at least 174 out of 180 days of in-school instruction.
- To limit the number of consecutive eLearning make-up days to no more than three.

2019-2020

Scheduled E-Learning Days   September 25, 2019 & April 8, 2020

Preventative Action for exceeding 6 E-Learning days in a school-year:
- On the 6th eLearning day on or before April 7, 2020, we will change April 8, 2020 to an in-school instruction day.

  7. *4/8/20 - Planned eLearning Day* ***TURNED INTO IN-SCHOOL DAY***
- If school is canceled causing a 7th day or beyond of eLearning, we would have In-School Days on the following days
  - 2/17/20 (If the 7th day is before)
  - 5/29/20 (teacher only day & graduation day)

Preventative Action for exceeding 3 consecutive eLearning Days:
