Add the following language to the high school handbook to correspond with the updated district Student Search and Seizure policy C550:

Searches of Student Vehicles

In accordance with our district Student Search and Seizure policy C550, permission for a student to bring a vehicle on school property shall be conditional upon consent of the search of the vehicle and all containers inside the vehicle by an administrator without individualized reasonable suspicion. The student and the owner of the vehicle shall have no expectation of privacy in any vehicle or in the contents of any vehicle on school property. The Superintendent shall prepare a written agreement consistent with this Policy to be signed each school year by each student driving to school and the owner of each vehicle driven to school. Each vehicle brought on school property by a student shall display a decal showing that the written agreement permitting the search of that vehicle has been signed.

Add the following language to the high school handbook to correspond with the updated district Student Search and Seizure policy C550:

Breath-Test Instruments

In accordance with our district Student Search and Seizure policy C550, administrators are authorized to arrange for the use of breath-test instruments for the purpose of determining if a student has consumed an alcoholic beverage. A student shall be offered a breath test when an administrator has individualized reasonable suspicion to believe the student has consumed an alcoholic beverage. It is not necessary for the test to determine a blood-alcohol level since the Board has established a zero tolerance for alcohol use.
