## ELEMENTARY SCHOOL

Staff Member: Kyra Davis	Date: 9/21/2020
Grade Level/Area: 4th Grade	
Number of Students Impacted: 28	

Description of Need: I am requesting books to help kids understand emotions for Nurture Group. Reading a story book to the students gives them a) a visual memory b) something short that they can focus on c) a talking point with their peers; These books help them understand emotions, emotional responses, regulating feelings, etc.

Objective: The objective is students who are more quickly able to name/identify their feelings and then decide what they can do to regulate themselves. These books can also be shared among the grade level or beyond.

How has this project been supported previously?: The objective is students who are more quickly able to name/identify their feelings and then decide what they can do to regulate themselves. These books can also be shared among the grade level or beyond.

Future Funding/Sustainability Plan: It is a one time purchase

Amount Requested: \$225.45

## ELEMENTARY SCHOOL

Staff Member: Jen Tucker

Grade Level/Area: 1st Grade

Number of Students Impacted: 24

Date: 9/17/2020

Description of Need: I am requesting a PTO grant to purchase seat sacks for my classroom. Due to social distancing, I want to eliminate as much foot traffic in my room as possible. To accomplish this, I want seat sacks on every student chair so that they can keep their personal school supplies (folders, notebook, headphones) at their spot.

Objective: Students will be able to socially distance by having their own seat sack to hold their personal belongings.

How has this project been supported previously?: Students will be able to socially distance by having their own seat sack to hold their personal belongings.

Future Funding/Sustainability Plan: The seat sacks will eliminate the need for them to return to their cubbies. This will ultimately reduce interaction between each student, thus creating a socially distanced classroom. These seat sacks will be taken care of and will last for years to come.

Amount Requested: \$232.68

Cost & Ordering Details: I would like to order 4 packs of 6 seat sacks from Really Good Stuff. Item subtotal (Quantity: 4) : \$194.16, Tax: \$15.22, Shipping: \$23.30

## ELEMENTARY SCHOOL

Staff Member: Alyson Hornaday

Grade Level/Area: 2nd Grade

Number of Students Impacted: 120

Date: 9/24/2020

Description of Need: TBRI and Nurture Group Support Books

Objective: After going through TBRI (Trust-Based Relational Intervention) and starting to understand the need for materials to help support my circle time and Nurture Groups each morning, I'd like to have books to read aloud to support social-emotional learning for my students. Books will help students make connections to real life events that are happening to them personally. The books will be shared with the 2nd grade teachers and ANY other classroom teachers that need resources to support their students for TBRI. It will impact more students based on teacher need throughout the building. If the cost is too high I can remove some books.

## ELEMENTARY SCHOOL

Staff Member: Rachel Dinwiddie	Date: 8/23/2020
Grade Level/Area: Kindergarten	
Number of Students Impacted: 20	

Description of Need: I would love a class set of Seat Sacks so that the students are able to keep their headphones and art boxes at their seat to limit contact between students/trips to their cubby each day. This would help students keep everything they need at their seats to hopefully prevent sickness from spreading and help students stay organized throughout the year.

Objective: Organization/Prevention of spreading sickness

How has this project been supported previously?: Organization/Prevention of spreading sickness

Future Funding/Sustainability Plan: These would be used throughout the entirety of the year and hopefully be able to be used in the following years as well.

Amount Requested: \$190.40 + shipping/tax
