

# MVCSC Communications Report

## School Board of Trustees Meeting

I-2022

### GREAT NEWS IN THE DISTRICT

#### School Accolades & Notable Activities

- MVHS 2020-2021 Girls Soccer team won the United Soccer Coaches Team Pinnacle Award, which is the highest team award given. The team was one of two recognized from Indiana. They had to win the Team Ethics and Sportsmanship Award, achieved recognition in the classroom as a recipient of the High School Academic award, and recorded a winning percentage of .750 during their season. In 2020, only 68 teams in the country received this award. This is the third year for this award and only six teams from Indiana have won this award, with MVHS winning it twice.
- Sierra Pienkowski won the regional title and placed 5th at girls state wrestling competition.
- Just before the holidays, FES fourth grade students used their STEAM skills and created a gingerbread replica of the Town of Fortville. Local business owners whose store was replicated were invited in to meet the students and see their creations.

#### Community Connections

- The Pacers' mascot, Boomer, gave a halftime dunk show at a MVHS basketball game with a meet & greet.
- Mt. Vernon recently hosted a successful Hancock County Health Department vaccine clinic for our community that was filled to capacity at 58 people.
- Mt. Comfort bus drivers collectively helped to provide heating for a family in need.
- MVHS held a blood drive with 35 amazing students come out and try to donate. We were able to collect 25 units of blood, which is 75 lives saved.

#### Noteworthy Media

- Current in Geist - Mt. Vernon schools repair infrastructure
