

March 1, 2022

**FIRST NOTICE**

Dear Families of 5<sup>th</sup> Grade Children:

We are pleased to inform you that your child is scheduled to participate in The Facts of Life this school year:

**March 30, Mt Comfort**

**March 31, Fortville**

**April 1, McCordsville**

Students will learn the basic functions of the male and female reproductive anatomy. Human growth and development will be discussed beginning with fertilization, continuing with fetal development throughout pregnancy until birth. Labor and delivery will be briefly discussed. Students will also be equipped to meet the emotional challenges of puberty. This program divided boy/girl.

As with all programs, lessons are age-appropriate and are based on Indiana Code, Indiana Academic Standards for Health & Wellness, and National Sexuality Education Standards, and Mt Vernon School Corporation's guidelines.

We are excited to present the materials with your child and would like to share the information with you as well. Please join us for an adult overview of the 5<sup>th</sup> grade program on **Tuesday, March 8 at 7pm**. This will be a virtual presentation. Join us

at: **<https://us02web.zoom.us/j/89314822316?pwd=TXprd1kxa0ZjVHE2MTVmcUNGelpSUT09>**

Meeting ID: **893 1482 2316**; Passcode: **03082022**

If you are unable to join us we will record the presentation and share the link with you afterwards.

With you being your child's primary educator, we believe that these programs will be the most successful if your child has the opportunity to share what they learn with you. It is our hope you will continue discussing healthy habits at home and in doing so, share your family's values and beliefs. We are looking forward to a healthy and successful school year!

Sincerely,

*Diana Ruschhaupt*
