First Reading for New Policies

Due to recent legislative changes, I am recommending the board consider the following new and updated policies for a first reading.

Policy Number	Policy Name and Description
F125	**Purchasing Procedures and Capital Assets** Recent changes and complexity of highly-audited policy. Improvements help with audit/compliance
C125	**Legal Settlement** Update due to 2022 State Board of Account guidance received in spring 2022.
D500	**School Resource Officer Employment & Training** Elevating some aspects to policy that could be administrative guidelines and adds language that will be required by July 1, 2023.
H225	**Public Comments and Concerns** New statute requiring comment from any individually physically present. Also, requires the board to provide opportunity for public comment before the Board takes final action ona topic.
B225	**Meetings** Provided clarification if we need virtual meeting(s).
C175	**Student Attendance and Academic Engagement** New title for policy along with defining continuous learning (virtual/distance). This conforms with new law related to the amount of asynchronous learning.
D325	**Personal Background Checks and Mandatory Reporting** Plenty of new language required by SEA 115 from General Assembly 2022.
