## School Board of Trustees Meeting

9-2022

### GREAT NEWS IN THE DISTRICT

#### School Accolades & Notable Activities

- MCE 4th grade had a great day with their egg drop that included our Buck Creek Fire Department helping with the drop and final smashes.
- The MVHS Service Club and JAG helped develop a self-sustaining garden at MVHS that supports our local food pantry. Two students who helped with the project and former MVHS JAG teacher, Mr. Cochran, were interviewed live at the FOX 59 studio. Special thanks to all the community members and organizations that helped with this self-sustaining garden initiative, including: Vernon Township, Board Member Tony May, Hancock County Community Foundation, Tuttle's Orchard, Metal Supermarkets, Backyard Blessings and Schreiber Lumber.
- At Homecoming, the MVHS Athletic Boosters donated a 6-passenger golf cart to the athletics department for the purpose of transporting those who have difficulty walking all the way back to the athletic fields.

#### Community Connections

- The Mt. Vernon Education Foundation sponsored an incredible staff appreciation event at the Indianapolis Regional Airport hanger with a number of donated food from the Cakehole, FoxGardin, The Grill, Kinsey's, Leo's, Chick-fil-A and Murphy's Pub. Over \$1,000 in prizes and gift cards was raffled to staff from Leo's Market, Tim's Bakery, Amazon and more. Entertainment consisted of a staff scavenger hunt and a live musical performance from Daniel Bell, an artist from Nashville, TN. Bell also performed with both the MS and HS band and choir, and even used some of their sounds in his remix performance for them.
- MVCSC hosted a free breakfast to commemorate the anniversary of September 11. The hour honored over 50 veterans, first responders, active military and their families with performances from the MVHS band and choir.
- A family anonymously pulled weeds one day at MVMS.

#### Noteworthy Media
