### GREAT NEWS IN THE DISTRICT

#### School Accolades & Notable Activities

- MVHS Band of Marauders took Gold at Regionals in the ISSMA open class invitational and advanced to Semi-State.
- All FES students and staff had the opportunity to sign the last beam to be placed in the new FES building. The official topping-out event took place on October 5, 2023, with all 2nd-grade FES students watching. That grade will be the oldest students when it opens in the fall of 2025.
- Homecoming week was not only a success but fun for all students across the schools. MVHS decorated doors, had high attendance at their dance, and all schools had fun dress-up days celebrating the Marauder Community!
- MVHS girls Cross County finished second and boys Cross Country finished third at Sectionals to advance to Regionals.
- MVHS Senior Adam Koon won individual tennis singles at the IHSSA regional competition and will advance to state. He was the first individual sectional and regional champion, as well as the first state finalist in school history. MVHS tennis team ended with a #22 in the state, which is the highest ranking in school history, and also became HCC champs for the first time in school history.
- MVHS student Hannah Hauser has broken MVHS's school 5K record for the second time with an 18:50 time.
