Re: Recommendation of Award for Demolition of Transportation Building

Dear Mr. Elkins:

AECOM Hunt received seven (7) bids on January 26, 2024 for the demolition of the existing Transportation Building and Maintenance Building.

Following discussions with Mt. Vernon about preserving the Maintenance Building until a later time, we worked with the low bidder to secure a quote for a reduced Scope of Work. We are making our recommendation to award the Demolition Work to **Denney Excavating, Inc.** for the amount of **\$15,000** for the Transportation Building and two (2) adjacent communication towers ONLY.

Please advise should you have any comments or questions.

Sincerely,

AECOM HUNT
