Second Reading for New Policies

Due to recent legislative changes and recommendations of our attorney, I am recommending the board consider adopting the following policies.

Policy Number	Policy Name and Description
A100	Non-Discrimination & Anti-Harassment - Addition of Title IX
D200	Standard of Care and Supervision of Students - Addition of Title IX
D425	Employee Benefits - SBOA language update.
E100	Adoption of Curricular Materials - Policy not yet adopted. Recommend to NOT Adopt due to most provisions no longer being required by law and that we may now place these in our Administrative Guidelines.
E125	Promotion, Placement, and Retention of Students - Policy not yet adopted.
G200	Environmental Health & Safety Issues - Policy not yet adopted.
G225	Vehicle Idling - Policy not yet adopted.
G475	Prohibition of Unmanned Aircraft (Drones) - Policy not yet adopted.
H125	Corporation Support Organizations - Policy not yet adopted.
H175	The Schools and Governmental Agencies - Policy not yet adopted.
