- All three Mt. Vernon elementary schools received national recognition for their commitment to empowering students and were each named a Project Lead the Way (PLTW) Launch Distinguished School.

- MVHS Jobs for American Graduates (JAG) Teacher, James Cochran, was named an Outstanding Specialist by achieving extraordinary outcomes for JAG program participants.

Community Connections

- Dr. Parker's Book Bonanza was a hit with the students he connected with at the events. The book clubs were full through the sixth grade, and had a healthy number of participants through the 11th grade. Special thanks to the MVEF who provided each of the students with their book and also to the Fortville-Vernon Township Public Library for their partnership.
- As part of the Indianapolis Colts Leadership Football Team Blood Drive, a successful blood drive was held at MVHS with 60 donors and 58 units of blood, equating to 168 lives saved.
- Several MV teachers' favorite books are being featured in a display at the Fortville-Vernon Township Public Library.

Noteworthy Media

- Dr. Parker shared an editorial celebrating how MV Schools (students and staff) rose to COVID challenge.
