

The background of the slide is a photograph of a library. In the foreground, there is a wooden table with a metal mesh pencil holder containing several colorful pencils. Next to the pencil holder is an open book with a pair of black-rimmed glasses resting on its pages. In the background, there are several wooden bookshelves filled with books, which are slightly out of focus. A large, semi-transparent blue rectangle is overlaid on the right side of the image, containing the title text in white.

HCPL Funding

- CAGIT – County Adjusted Gross Income Tax
- CEDIT – County Economic Development Income Tax
- LIT – Local Income Tax
- FIT – Financial Institution Tax

HCPL Funding is Unique

A CEDIT fund for HCPL (Hancock County Public Library) and FVTPL (Fortville- Vernon Township Public Library) was established in 1999 – IC 6-3.5-7-23

Hancock County Library funding is based off property tax calculations

Both libraries have the same budget process as if funded by property tax

Neither library can take additional money from CEDIT funds over the property tax calculation

This funding source has been a creative and efficient way to fund library service in Hancock County for almost 25 years
