Chris Smedley and MVCSC School Board,

WTHR recently featured a news story about the Care Closet, a program started by Erin Heller, MVMS counselor, to help students with clothing, food, and personal hygiene needs. Elaine Tharp, a grandmother of MV students, saw the news story and donated \$1000 to the Care Closet. MVMS asks that the donation be accepted to directly benefit MVMS students.

Thank you for your consideration,

Brooke Tharp
MVMS Principal
