

Textbook Adoption 2023 Math K-12

...

Adoption Processes and Procedures

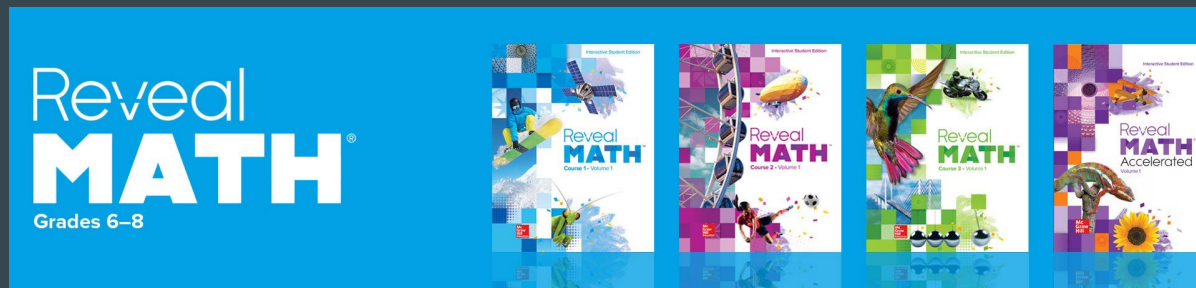

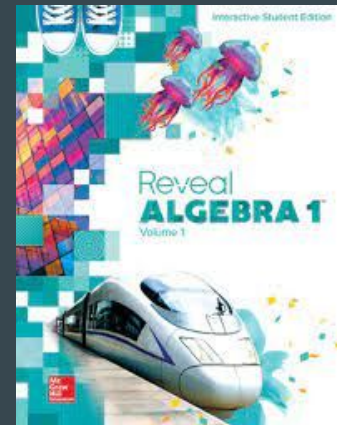

- Each year district curriculum materials will be purchased based on a six year rotation of content areas. Content areas for adoption consist of English/LA/Reading/Writing, Math, Science, Social Studies, FACS / World Language, and Business / other
- Standard Processes include:
 - Establish a committee to research and evaluate resources
 - Committee report and recommendation to CTA and the board
 - Community / parents have opportunities to review recommended resources
 - Seek board approval of recommended resources
 - Seek board approval of TBR and student fees

Math Committee - Process

- September 2022 - December 2022
 - Developed committee of teacher representatives from each grade level and school
 - Sought parents from each school to be committee members.
 - School newsletters (2-3+ times) / principals reached out to a few parents
 - 2 parents expressed interest, but then backed out of participating.
 - Researched 10+ programs
 - EdReports and Keep Indiana Learning (CIESC)
 - Committee meetings
 - Evaluated 5 programs based on our rubric
 - Reduced the list to 3 vendors (Elem.) 2 (6th-HS)
- January 2023
 - Presentations from vendors.
 - Committee members shared feedback via ThoughtExchange

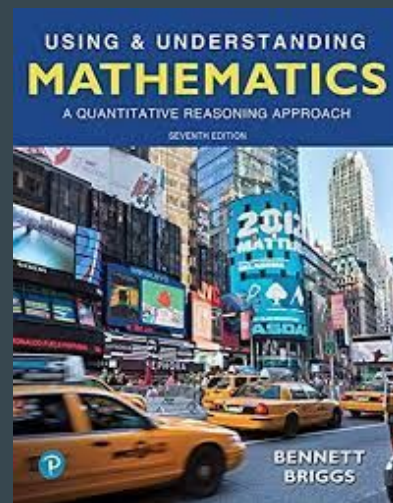

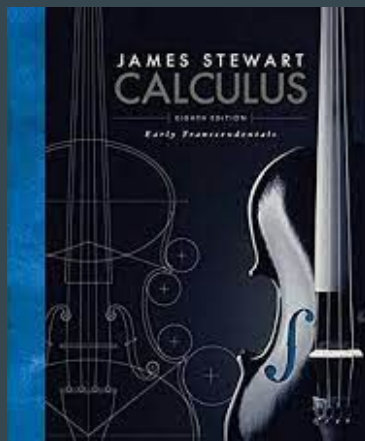

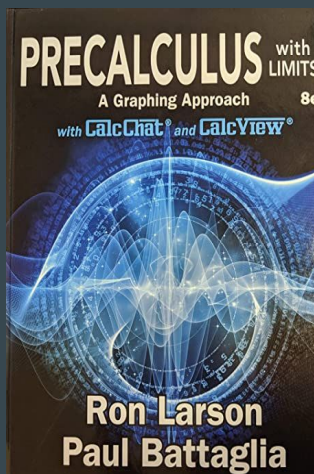

Math Process continued...

- February 2023
 - Reviewed feedback from the Thought Exchanges
 - Committee came to consensus on Reveal by McGraw-Hill
 - Shared with CTA discussions the committee's recommendation of Reveal K-8, Algebra 1, 2, Geometry
