**Re: Recommendation of Award for the Mt. Vernon Community School Corporation –
Site Lighting for Campus Expansion Project**

Dear Mr. Elkins:

AECOM Hunt has received bids for the Mt. Vernon Community School Corporation (MVCSC) – Site Lighting project as designed by Beebe Design, on March 22, 2023, at 11:00 AM EST.

On March 23rd we held de-scope meetings with the two low bidders on this package. Based on our review of the bids received and the de-scope meetings, we are recommending the award to the following:

- James Babcock, Inc. in the amount of \$ 673,100.00. This includes Alternate #3 to change lighting fixtures to the brand "Beacon" for a \$ 17,000 DEDUCT, and Alternate # 7 for light poles on the new drive east of the Administration Building for an ADD of \$ 33,500.

Please advise should you have any comments or questions relative to the above.

Sincerely,

AECOM HUNT

Project Executive
