Re: Recommendation of Award for the Mt. Vernon Community School Corporation –
New Fortville Elementary School Project

Dear Mr. Elkins:

AECOM Hunt has performed a review of both bids received on April 19, 2023 for Bid Package E-10, Aluminum Entrances, Storefront, Curtainwall, and Glazing. We have confirmed that the low bidder, Delaware Glass, will include security glazing at the locations shown on the exterior of the building, as well as the sliding glass partitions and doors at the classrooms. This is in alignment with the Beebe Design | Ratio plans, and the recommendations of The Veridus Group in their recent security review of the new Elementary plans. The following is a summary of our recommendation to award:

- Bid Package E-10 – Aluminum Entrances, Storefront, Curtainwall, & Glazing to Delaware Glass Co., Inc. in the amount of \$ 1,201,600. This includes Alternate #4 for Sunshades.

Please advise should you have any further comments or questions regarding these recommendations.

Sincerely,

AECOM HUNT

Luke Johnson
Sr. Project Manager
