Re: Recommendation of Award for the Mt. Vernon Community School Corporation –  
New Transportation Center Project

Dear Mr. Elkins:

AECOM Hunt received bids for the Mt. Vernon Community School Corporation (MVCSC) –  
New Transportation Center project as designed by Beebe Design, on March 2, 2023.

On March 7<sup>th</sup>, we held a de-scope meeting with the low bidder for the Metal Canopies, but a  
decision to award this scope of work was held pending bid results for the New Fortville  
Elementary School project. Now that all the bids have been received for the New Elementary,  
we are ready to recommend the following contract be awarded:

- TR-09 – Canopies to TFC Canopy, a Division of Centurion Industries, in the  
amount of \$ 777,705. This includes Alternate #1 for Bus Canopies.

This is the final bid package left to approve on the Transportation Center project.  
Please advise should you have any comments or questions.

Sincerely,

AECOM HUNT

James D. Gulley  
Project Executive
