School Board of Trustees Meeting

7-2023

GREAT NEWS IN THE DISTRICT

School Accolades & Notable Activities

- Congratulations to Lydgia Palmer, FES fourth grade teacher, who received the American Legion teacher of the year award.
- Another staff member in the limelight is Jordan Gerbsch, MVHS English teacher and counseling department intern. She was named the 2023 recipient of the Jeannine Miller Scholarship in Support of Guidance, Counseling and Social Work through the Community Foundation of Hancock County.
- Congratulations also to Leah Perry, MVHS Science Teacher, was one of 19 individuals across the state selected to receive the second annual Excellence in Dual Credit Instruction President's Awards, the highest honor for Ivy Tech dual credit faculty.
- The MVCSC Board of Trustees received an Indiana School Boards Association Exemplary Governance Award. They received this award at the Commendable level, which is granted to school boards that have a majority of board members with Commendable individual status.
- The collaborative high school Hancock County Career Center has named Stan Wilkison, current MVHS assistant principal, as the director for the career and technical education (CTE) classes.
- A bus full of MV educators attended a PLC at Work conference in St. Charles, MO for professional development.
- The Mt. Vernon High School Softball Team was one of only 42 schools to receive the Team Academic All-State honors.
- George Burhenn became Mt. Vernon's first track and field state champion ever, winning first place in the 110m hurdle event. The boys' track and field team placed 6th at state, which is their highest placement at state in school history.

Community Connections

- Walmart Fulfillment Center 8972, the largest in the US, invited the MVEF to their grand opening, as well as awarded the MVEF with a \$5,000 check to support and advance the mission of the foundation and support Mt. Vernon.
- MV School Resource Officers (SRO) attended the National Association School of Resource Officers (NASOR) conference in Indianapolis for continuing education to expand their school safety knowledge.
