Dear Mr. Elkins:

AECOM Hunt received one bid for the Mt. Vernon Community School Corporation (MVCSC) – Middle School Parking & Maintenance project as designed by Beebe Design, on March 7, 2024, at 1:00 PM EST.

On March 8, we held a de-scope meeting with the bidder. Based on our review of the bid and de-scope meeting, we are recommending award of the project to Millennium Contractors, Inc. for the Base Bid and all Alternates at the March 25 Board Meeting.

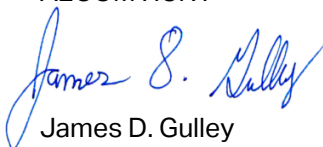

We request immediate approval to issue a Notice to Proceed to the Contractor so that they can begin the submittal process for storm pipe and structures, which have a lead time of several weeks. A summary of the Award recommendation is below.

• Base bid amount:	\$1,433,000
• Alternate 1 (North section of Shoppell Dr):	\$ 103,000
• Alternate 2A (Mid section of Shoppell Dr):	\$ 197,000
