The mission of the Vernon Township Public Library is to spark curiosity and enrich lives by connecting people to ideas, information, and innovative services.

Resources for Teachers

We are here to support teachers in their work to educate the youth in our community. We can pull materials for custom collections to help supplement your learning materials. We provide cards for all local teachers, regardless of their home address. We can visit your classroom to teach your students about library resources, or we welcome you to schedule a field trip to our library for a tour!
