

Psi Iota Xi is a philanthropic organization that is dedicated to supporting Speech & Hearing, Art Music and Literature in their community. This year with the success of cheeseball sales, annual flower sales and special projects our organization would like to share and donate to the following departments listed. These proceeds also help support three \$1000 scholarships each year in the areas of Art, Music and Literature to three deserving seniors to further their education. Thank you to the MV school corporation for supporting our mission and fundraisers.

### Donation

#### Fortville Elementary School

Library \$250

Art Department \$250

Music Department \$250

#### McCordsville Elementary School

Library \$250
