Re: 2024-2025 Lunch Prices

Date: June 17th, 2024

USDA and IDOE regulations require Child Nutrition Programs to complete the Paid Lunch Equity Tool to determine meal prices if the Food Service (0800) account is not \geq \$0 on July 1. Since the 0800 account was positive as of 7/1/2023 and remains trending up, we chose to waive the PLE Tool requirement. Our revenue per meal equivalent for the 2024-2025 SY is projected to be \$0.06 higher than our projected expense per meal equivalent, \$3.93 and \$3.87 respectively. Therefore, I recommend meal prices remain the same as shown below:

	<u>2022-2023</u>	<u>2023-2024</u>	<u>2024-2025</u>
MVMS & MVHS	\$3.50	\$3.60	\$3.60
Elementary/Pre School	\$3.40	\$3.50	\$3.50
Breakfast	\$2.25	\$2.25	\$2.25
Adult/Extra Student Lunch	\$4.80	\$4.80	\$4.80*
Adult/Extra Student Breakfast	\$2.75	\$2.75	\$2.75*
Extra Milk	\$0.50	\$0.50	\$0.50

* Adult meal prices will need to be updated at a later date, due to the required information not being available until after July 1st.
