## COMMUNITY SCHOOL CORPORATION

### **Values**

The Mt. Vernon CSC Values...

#### **Community/Collaboration/Communication**

*...meaningful connections among students, staff, parents and our community through high levels of engagement and strong relationships. We demonstrate this through active collaboration and communication that is timely & transparent.*

#### **Safe & Supportive**

*...providing a safe and supportive environment for our students and staff where each of our differences are valued and respected. We cultivate engaging and healthy relationships that foster trust and belonging which are essential for high levels of learning.*

#### **Staff**

*...an invested, positive, compassionate staff who strive for continuous growth and improvement.*

#### **Stewardship (Fiscal and/or Resources)**

*...the efficient use of our resources to sustain programs for our students now and in the future.*

#### **Teaching & Learning**

*...engaging and effective high-quality instruction that is designed to meet the individual learning needs of all students.*

### **Vision**

MVCSC is a vibrant community that empowers all students to succeed, thrive, and learn at their highest level.

### **Mission**

Mt. Vernon Community School Corporation will Engage, Educate, and Empower today's students to seize tomorrow's opportunities.
