What We Do

In Student Media Club we do a few things. We write the script for the morning announcements and we do the morning announcements. We've assigned certain days for each of us to do.

- Pledge of allegiance
- Moment of Silence
- Lunch
- Life Value Term
- Sports
- Extracurricular
- Theme of the Day

Process

- Created a shared slideshow- retain information, communicate, visual aid
- Shared google form- significant details

Ex: Giant Games - an after school gathering for kids

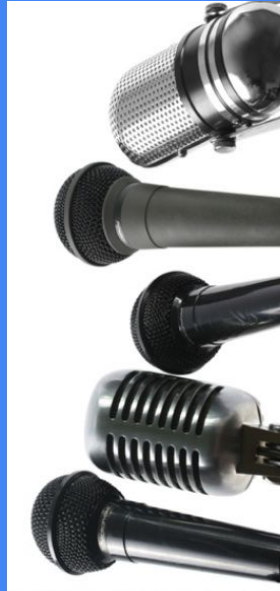

What we hope to do in the future!

We hope to do video announcements soon!

- Interview teachers and students
- Celebrate staff birthdays
- Share silly trivia
- We have an idea where teachers could send in their childhood photos, and kids and staff would try to guess who it is.
