

# MVCSC Communications Report

## School Board of Trustees Meeting

### 9-2024

#### GREAT NEWS IN THE DISTRICT

##### School Accolades & Notable Activities

- Congratulations to Superintendent Dr. Jack Parker on being recognized as “Superintendent of the Year” for District V by the Indiana Association of Public School Superintendents (IAPSS).
- Congratulations to FES for achieving a 95% or higher pass rate on the 2024 IREAD assessment for the second consecutive year!
- Seth Hamilton earned his Certified Education Technology Leader® (CETL) Certification from the Consortium for School Networking (CoSN).
- MVHS Teacher, Leah Perry, and Football Coach, Vince Lidy, were named among the top three in their respective categories in the “Best of Hancock County” magazine.
- The first-year HVAC students at MVHS earned their OSHA 10 Safety Certification.
- In July, we reported that all elementary buildings received the Highly Effective School accreditation from Solution Tree, and we wanted to provide an update that MVMS and MVHS have also earned their HES accreditation by maintaining and growing identified areas that have the biggest impact on student learning and growth.
- MES held its Pirate Fun Run, raising \$25,000 for student programming, supplies and materials, as well as teacher training and support.

##### Community Connections

- MVCSC and the MVEF recently partnered to celebrate MV staff by hosting the “SOAR Into a New Year” event at the Indianapolis Regional Airport hanger. Many generous community businesses contributed to the event by providing food and prizes for staff.
- FES hosted several guest speakers from the community to share insights about their professions and role in our community. The wide variety of careers included a K9 police officer, student resource officers, a Riley Hospital ER nurse, an INDOT public relations director, a United Airlines captain, and an engineer.
- The Greenfield Banking Company launched the MV school spirit debit card where a donation to the MVEF is made every time the card is used.
- Congratulations to Denise Kirby, MVHS alumna and president of the Athletic Association, who recently received the Distinguished Service Award from the Indiana Interscholastic Athletic Administrators Association District IV (21 counties).
