

# INTERNET CONTENT FILTERING

## CIPA Compliance and MV Policy E200

- Filtering provided by **Linewize** – required for E-Rate compliance under CIPA
- Teachers have **Classwize** for classroom-level control of student access
- Required blocked categories include obscene, harmful, and inappropriate content
- Teachers may request sites to be unblocked; requests reviewed by Director of Technology
- Policy ensures safe, monitored, and flexible internet use for students and staff

**Bonus:** Through Qustodio, we give parents insights to their students' usage and the ability to turn off internet on school devices at home
