We applied for an IDOE Robotics Competition Grant last spring to support the middle school, intermediate school, and Fortville Elementary School Robotics Competition team. We are grateful to be selected as a recipient of this competitive grant. As part of the grant application, we needed a matching community partner to support our efforts. NineStar Connect graciously agreed to be our partner for the grant and donated \$6,250 to support the robotics competition teams. On behalf of the school's competition teams, I request that the board accept this \$6,250 donation from NineStar to be allocated to our district robotics competition teams. Donated and grant funds will be used for equipment, supplies, t-shirts, competition registrations, coaches' compensation, and travel expenses.
