

## **H125 CORPORATION-SUPPORT ORGANIZATIONS**

The School Board values organizations striving to support the educational experiences of Corporation students. The Board endorses the active involvement of students and their families through the creation of parental and charitable organizations such as PTO groups and booster clubs. The Board encourages employees to work cooperatively with all such nonprofit organizations.

The Superintendent must first approve annually any support organization who wishes to use the name, logos, or trademarks of the Corporation during that school year. Each approved organization has responsibility for funds collected, expenses incurred, and the well-being of participating students and volunteers. The Corporation is not responsible for the activities or finances of an approved organization.

All such organizations must engage in activities and conduct themselves in a manner typical of a nonprofit organization. In order to access school resources, these organizations shall follow the policies of the Board, guidelines of the Superintendent, and guidance from governmental entities having jurisdiction over the organization (e.g. IRS, IN Department of Revenue, IN State Board of Accounts).
